

Easter Half Term Activities

We had an amazing time during our Easter half term trip to Croxteth Hall Country Park and Farm, bringing together a fantastic group of 18 adults and 24 children for a day full of adventure. Families enjoyed a relaxed picnic together, creating space to connect and unwind. The highlight for many of the children was meeting, interacting with, and feeding a wide range of animals, making it a truly memorable experience. It was wonderful to see families laughing, exploring, and making lasting memories together. A brilliant day out that captured what community is all about.

Easter Lunch Provision

During the Easter holidays, we supported local families through our holiday lunch provision, helping ensure children had access to food during the school break. Over two days, we provided more than 30 packed lunches, easing pressure on households. It was great to hear that some families took these to the local park, enjoying picnics and time together. We also hosted a community Easter meal, welcoming over 32 people for a full, home-cooked roast dinner. The afternoon included games, crafts, and prizes, creating a warm and welcoming space for all. What a week—practical support, shared meals, and meaningful moments bringing people together.

THANK YOU ALBERT HUNT TRUST

We would like to extend a heartfelt thank you to Albert Hunt Trust for their generous £8,000 grant to The Hope Foundation. This funding has come at a crucial time and will make a significant difference, enabling us to continue supporting those who need it most in our community.

Challenge 100

Right now in our city, people are facing crisis—families struggling to keep the lights on, individuals on the brink of homelessness. At The Hope Foundation, we're working to stop crisis before it happens—but we can't do it alone.

That's why we launched Challenge 100, and we're calling on 100 amazing people and businesses to stand with us. By giving just £20 a month, you'll help fund urgent, life-changing support, including:

- Emergency accommodation
- Support with rising energy prices
- Emergency food parcels

Already in 2025, we've helped prevent homelessness 18 times, secured affordable housing, and delivered food, energy vouchers, IT training, and more. Every pound helps us change lives—and save public resources.

But most importantly, it gives people hope—because someone like you chose to act.

This isn't just a donation—it's a partnership. Will you be one of the 100?
