Issue 12: MARCH 2026

Social Group Trip

Our Social Group recently enjoyed a fantastic afternoon visiting the iconic Liverpool Cathedral as we relaunched our regular social sessions. The group spent time exploring the rich history of the cathedral, learning about its architecture and the role it has played in Liverpool over the years.

One of the highlights of the visit was taking in the incredible views from the top, giving everyone the chance to see the city from a completely different perspective. It was a relaxed and enjoyable afternoon filled with conversation, learning and laughter, and a brilliant way to reconnect and kick off our social activities again.

Digital Inclusion

Our Digital Inclusion sessions are starting back up this month, helping more people in our community get online and stay connected. Last year, we supported over 100 individuals through our training courses, many of whom had little or no previous experience using digital devices. This year we hope to reach even more people. Participants will receive their own tablet device and take part in practical sessions designed to build confidence online, helping reduce loneliness and isolation while improving access to services and communication.

FOOD PANTRY LAUNCH

We are excited to launch our new Community Food Pantry this April, helping support individuals and families affected by the rising cost of living. The pantry will provide access to affordable food and essential items, helping stretch household budgets while ensuring people can access good quality groceries. This new initiative aims to support our community with dignity, choice and practical help

Challenge 100

Right now in our city, people are facing crisis—families struggling to keep the lights on, individuals on the brink of homelessness. At The Hope Foundation, we're working to stop crisis before it happens—but we can't do it alone.
That's why we launched Challenge 100, and we're calling on 100 amazing people and businesses to stand with us. By giving just £20 a month, you'll help fund urgent, life-changing support, including:

- ✓ Emergency accommodation
- ✓ Support with rising energy prices
- ✓ Emergency food parcels

Already in 2025, we've helped prevent homelessness 18 times, secured affordable housing, and delivered food, energy vouchers, IT training, and more. Every pound helps us change lives—and save public resources.
But most importantly, it gives people hope—because someone like you chose to act.
This isn't just a donation—it's a partnership. Will you be one of the 100?
