Issue 1: 11th April 2025

Julie's Story*

Julie* came to us after being placed in a refuge due to Domestic Violence. After living in 1 bedroom for over 12 months she was delighted to finally have her own space. Over the past 18 months we have been able to work closely with Julie, providing support, training and education. Julie is now in part time employment, ready to move on to long term accommodation. **Find out more at:** www.the-hope-foundation.co.uk/hope-housing

Recent funding from the UK Shared Prosperity fund has allowed us to set up a VlLOG space at our office that we can use to raise awareness about our projects and give our service users a voice!

Project Spotlight

On the 28th of March our community Brunch club officially opened. Serving a range of breakfast treats on the last Friday of each month to anyone and everyone. Our aim is to provide a safe space for locals to come together, enjoy good food and access support.

5th Birthday Excitement

🎉 It's our Birthday! 🎉
The 15th of April 2025 marks FIVE incredible years of The Hope Foundation's work across Liverpool, providing accommodation, training, advice, and life-changing support 💛

Sharing about our 5th Birthday, Stephen Robertson our Chief Executive said:
"Over the past 5 years, it has been such a privilege and pleasure to see The Hope Foundation go from strength to strength. In such a short space of time we have been able to make a difference in so many people's lives, not only offering a solution to issues faced by many, but actually long term transformation. We love Liverpool, and know that by working together we will see communities transformed. Thank you to all of our supporters over the years, only because of your support have we been able to make such a difference. Here's to the next 5 years!"
